In an effort to improve the quality of housing opportunities in Farmers Branch, the City Council enacted a Residential Demolition/Rebuild Program pursuant to Chapter 380 of the Texas Local Government Code to encourage the redevelopment of existing single-family detached residential properties with the construction of new, higher value, single-family detached residential structures.

DISCUSSION:

Applicant Todd Bonneau Homes is applying for the Demolition Rebuild incentive for an existing residence located at 12801 Epps Field Road, which has an improved valuation (excluding the land value) of \$78,750.
